Coming Soon: The New Jeffery Sign!

You **might** have noticed that the focus of many recent fundraisers has been on an electronic outdoor sign for Jeffery – something much more visible and more easily updated than our current sign.

We are excited to announce that we have reached our goal and the sign has been ordered!

The sign will be installed later this spring (once we can see the ground again!); at that time, we'll also announce a date for its official unveiling.

Our sincere thanks to everyone who contributed to the sign fund and to those that helped in the fundraising efforts. This was no small feat – our Jeffery families are the best!

As you may know, one of our Jeffery students, Lily Lachman, is currently a patient at Children's Hospital. She has been placed on the heart transplant list due to diagnosed dilated cardiomyopathy resulting in chronic heart failure. She may remain in the hospital until she receives her transplant.

Jeffery's staff has shared with the students from Lily's class and at her grade level that Lily is in the hospital, that she has a sick heart, and that the doctors are trying to strengthen it. They did not share the severity of her condition with them. Students from her class and others from the school have written her cards and letters and her class sent her a video of the students telling jokes and dancing to try and cheer her up (which it did!). Mrs. Klawonn, her teacher, has also delivered many cards, letters, and other forms of support that the students and staff here at Jeffery have collected. We are all pulling for Lily and her family. Please keep Lily and her family in your thoughts.

Here's how you can help!

Lily's family has established a go fund me account, Lillian Lachman's Heart - Prayers for Lily, www.gofundme.com/prayersforlily6. Lily's family also posts updates on her condition on this site. The gofundme site also states that people can donate directly to the Lillian P. Lachman donation fund at any Chase bank site. Finally, mark your calendars for Lily's benefit on **Saturday, January 16** (see the flyer details)! We hope to see many Jeffery families there!

SCHOOL SUPPLIES DRIVE

September seems like a long time ago, doesn't it? As the year moves forward, school supplies start to dwindle.

Help our Jeffery classrooms stay stocked by sending any school supply donations to school with your student.
