### Attendance Incentives

At Jeffery, we understand that students get sick and need to stay home. We also understand that sometimes students just don't want to come to school. Our goal is to create an environment here that students want to be a part of. We want them to wake up and be excited to come to school. To help build that environment, we have added some incentive classes for classrooms with high attendance percentages. Each week, 5 classes receive an extra class. The top two classes always get one of the classes. Then we look at improvement or month/quarter percentages and assign those classes. Some weeks we just pick the top 5 numbers. Ask your student if they have received an extra gym, music or art class.

### October Attendance Percentages:
